

NEVER DESCALE AGAIN.

EVER.

An expert in both water heating and treatment, A. O. Smith has combined the two technologies to achieve unparalleled scale protection on our condensing gas tankless product.

Model ATI-540HX3

Introducing X3™ Scale Prevention Technology. A. O. Smith has applied this cutting edge technology to its condensing gas tankless product to prevent scale buildup—meaning virtually zero lifetime descaling maintenance and three times longer product life for our condensing gas tankless water heaters.

Model	Height	Width	Depth	Height With Cartridge
ATI-540HX3	23-5/8"	17-3/4"	11-1/4"	35-9/16"

X3™ Scale Prevention Technology

- Extends the life of the unit up to three times longer*
- Eliminates the need for regular scale-related maintenance
- No warranty exclusions for hard water
- Maintains “like-new” performance longer

*Compared to other tankless models without X3 Technology

Other Features:

- Highly efficient performance/ENERGY STAR® qualified
- Indoor and LP units available
- Ultra-Low NOx emissions
