

NEVER DESCALE AGAIN.

# EVER.

An expert in both water heating and treatment, A. O. Smith has combined the two technologies to achieve unparalleled scale protection. Now available on our condensing gas tankless products.

Introducing X3<sup>®</sup> Scale Prevention Technology. A. O. Smith has applied this cutting edge technology to its existing suite of contractor-preferred condensing gas tankless products to prevent scale buildup—meaning virtually zero lifetime descaling maintenance and three times longer product life.

### X3<sup>®</sup> Scale Prevention Technology

- Extends the life of the unit up to three times longer\*
- Eliminates the need for regular scale-related maintenance
- No warranty exclusions for hard water
- Maintains “like-new” performance longer

\*Compared to other tankless models without X3 Technology

### Other Features:

- Highly efficient performance/ENERGY STAR<sup>®</sup> qualified
- Outdoor and LP units available
- Ultra-Low NOx emissions
